

# Howard Pickup Named Pharmacist of the Year

The Bowl of Hygieia Award to the "Pharmacist of the Year" for 1967 is to be awarded June 10th to Howard W. Pickup, Drayton Valley pharmacist for community service during 1967 and previous years.

The Bowl of Hygieia awards are sponsored by the A.H. Robins Company, Richmond Va., to the pharmacist of the year selected by the various Provincial and State Pharmaceutical Associations or Societies in North America.

Mr. Pickup graduated as a pharmaceutical chemist from the University of Alberta in 1940. After two years pharmaceutical practice in Calgary he spent four years in the Royal Canadian Army Medical Corps.

He went overseas with the 11th Canadian General Hospital and was commissioned with the Medical Corps Overseas and posted as chief pharmacist of the 600 bed, No. 18 Canadian General Hospital. At the end of the war he became an Inspecting Officer for Army Medical Directorate No. 3 of Canadian Military Headquarters in London.

His post-war practice included one year in Calgary, where he also served as Secretary of the Calgary and District Retail Druggists Association, 8 years in Nordegg and 13 years in Drayton Valley.

In order to try to keep up to date with the rapidly changing pharmaceutical sciences, Mr. Pickup has participated in all continuing education courses offered by the University of Alberta since graduation, as well as attendance at the University of London Faculty of Pharmacy while overseas.

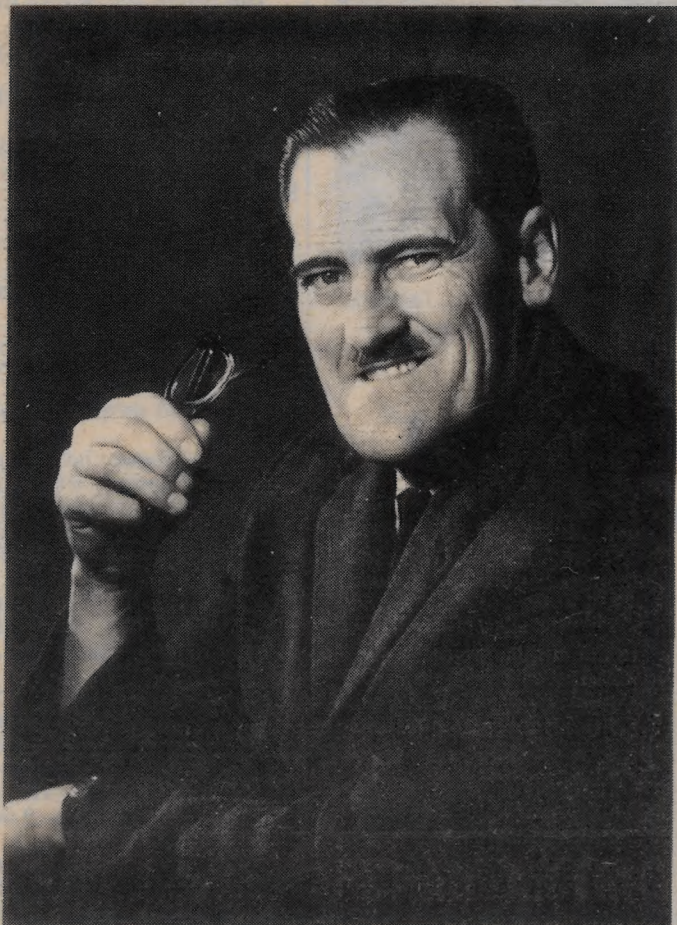

Apart from pharmacy he has been actively involved from 1949 to 1962 in Sunday School teaching, choir, and served from 1947 to 1963 as Clerk of Session and a trustee of the United Church.

From 1947 to 1954 he served as a member of the Nordegg School Board and during his Drayton Valley term spent 12 years as either Town Councillor or Mayor of the Town.

July 1st, 1967, the Centennial Medal was conferred on him in recognition of his community service. He has had continual active service with the Chamber of Commerce and has served as a Justice of the Peace from 1947 to date.

The Pharmacist of the Year Award will be presented by the Alberta Pharmaceutical Association on June 10th in Calgary at the A. Ph. A. Convention.

Howard and Eleanor will be the guests of the A.H. Robins Co. for a trip to Richmond Va. in October.

## SIX CANDIDATES SEEK ELECTION

Three independent candidates in Rocky Mountain constituency will seek election to the House of Commons June 25th.

The three, Douglas Caston of Edson, Independent PC; Collier Maberley, an Independent Liberal from Banff and John McLeod, another independent from Midnapore--filed nomination papers Monday.

The seat will also be contested by a Conservative, Liberal and NDPer.

Nominations closed Monday May 27th at 2 p.m. in the constituency. It is one of the 21 large constituencies across the country where nominations closed two weeks early to allow extra time for delivery of election materials.

Mr. Caston, the sitting MP for Jasper-Edson riding which disappeared under redistribution, lost the Conservative nomination to Hugh Gourlay of Banff.

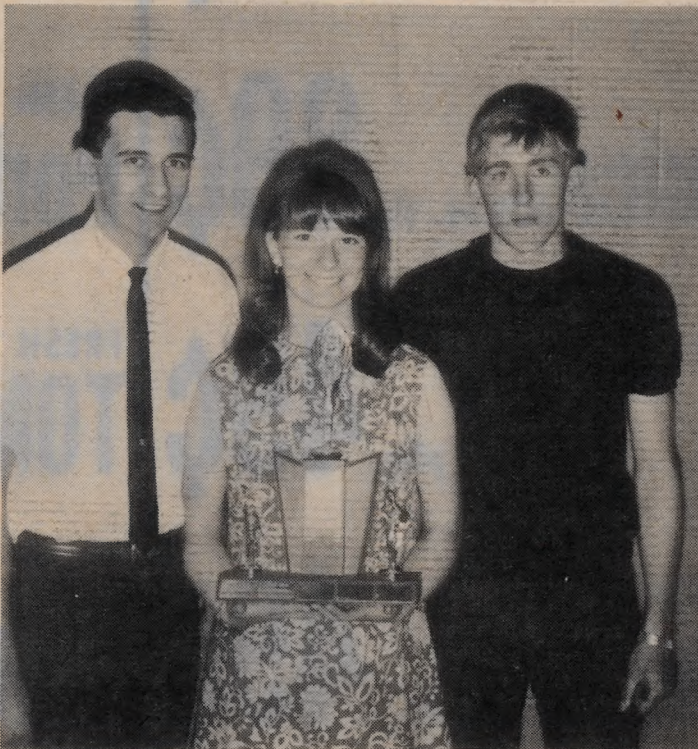

Mr. Maberley stated several

weeks ago his intention to run if he did not receive a favorable reply to a telegram he sent Prime Minister Trudeau when he was in Edmonton. Mr. Maberley, in the telegram, protested the Liberal government's national parks policy.

Alan Sulatycky of Whitecourt will run for the Liberals while Searle Homby of Blairmore will carry the New Democratic Party banner in Rocky Mountain.

Busiest man in the constituency.

## St. Anthony's School Losing Principal

It was with regret that the Board of St. Anthony's accepted the resignation of Mr. James Orioux at its regular board meeting May 12.

Mr. Orioux has been with St. Anthony's since it opened in 1964 - the first year as Vice-Principal and since then as Principal.

Mr. Orioux is to be commended for the vast amount of time and effort he has put into the school to bring it to its present high academic standard. The pupils of St. Anthony's under Mr. Orioux's guidance have also won many honors in the local track and field meets.

Mr. Orioux's plans are not known at present, except that he desires to return to teaching as opposed to administrative work. He feels his career as a teacher is suffering from lack of classroom time.

The Board of St. Anthony's hopes to find a new principal with the qualifications and high endeavor to match Mr. Orioux's performance, and continue St. Anthony's standard of excellence.

MacCalder Construction has completed construction of the new portion of St. Anthony's School. At a cost of over \$150,000 four new rooms were added to the primary wing and two classrooms, a new and larger science room and a new and larger library were added to the elementary wing. This addition will ease the present crowded conditions of the school.

With approximately 50 Grade 1 students expected this coming term, plus an expected increase overall due to the natural growth of Drayton Valley,

James Orioux

ley, the new construction is a timely addition. A formal opening will probably be held in September.

The Board of St. Anthony's feel themselves fortunate in having received permission to build before the present tight money situation took effect. It should be four to five years before more classroom space is needed. By that time it is hoped conditions will have improved.

The Board also decided because of the teacher shortage and tight budgeting required for present conditions to suspend the thought of teaching high school indefinitely. With the Frank Maddock High School offering an adequate and diversified program for Grades X, XI and XII, St. Anthony's Board feel they would be duplicating an excellent existing service and perhaps find themselves hard pressed to match it.

The annual joust between the teachers and the board called "Salary Negotiations" are proceeding steadily with a satisfactory settlement anticipated before the end of June. It is not known at present how many new teachers will be required for the 1968-69 term, but from past experience something like four or five resignations are to be expected for various reasons.

The next regular Board meeting will be held June 9th at St. Anthony's School.

## GOLF TOURNAMENT THIS WEEKEND

The Drayton Valley Golf Club annual Open Tournament will be held on Saturday and Sunday, June 8th and 9th. Included in the weekend activities will be a steak barbeque and dance Saturday evening.

The tournament is limited to 104 entries which must be in by June 5th. There will be thirteen match play flights with the championship flight teeing off at 1:00 p.m. Sunday.

Trophies, prizes and hole prizes will be awarded at the conclusion of the tournament.

Entry fee for the tournament is \$8.00 which includes the steak barbeque. Extra plates for guests are available at \$2

for the barbeque that will be held from 6:00 to 8:00 p.m. The dance will start at 9:00 p.m. in the Curling Rink.

Golf club memberships are still available at the golf course or from any member of the executive.

## Candidates Seeking

Cont. from Page 1

uency is Returning Officer H. (Sandy) Robinson of Jasper who is now faced with getting election material to polls in the constituency--many of them remote.

Printers throughout the constituency have been busy during the past two weeks preparing voters lists and ballots all of which have been to delivered to Mr. Robinson for recording and distribution.

Ballot boxes and other material will be delivered by a variety of methods (including parachute drops and pack horses) to polls in the mammoth new riding. Distances will also make it difficult for the candidates and voters as well as the returning officer and his staff.

There are 27,117 eligible voters in the riding, about half the estimated population of 57,571. There are 180 polls, the smallest with 16 voters, the largest 500.

The size and shape of the constituency, created in 1965 after the last federal redistribution has been under heavy attack from all sides ever since. It stretches from the United States border almost to Peace River, a distance of over 600 miles.

The riding embraces the Banff, Jasper, and Waterton Lakes national parks, several Indian reserves, assorted towns and a huge rural-forestry area. It took in the old Jasper-Edson riding, plus land from six other Alberta constituencies.

Complaints from the candidates include one that the riding is too large to be covered, since transportation lines run east and west but not in a north south direction.

Mrs. Elsie Dressler (R) presents Mrs. Jahnke with a bouquet of roses at a party in her honor Thursday evening.

## Hospital Matron Feted On Tenth Anniversary

Last Thursday evening, the staff and doctors of the Drayton Valley Municipal Hospital met for supper at the Cadium Room to surprise and honour Hospital Administratrix, Mrs. Dorothy F. Jahnke, on the occasion of the tenth anniversary of her assuming the position of Matron of the Hospital on June 1st, 1958.

A bouquet of red roses was presented on behalf of the group by Mrs. Elsie Dressler who also is nearing her own ten year mark with the hospital and who recalled the early days when Mrs. Jahnke drove back and forth to work from Violet Grove when the roads were a far cry from those of today.

Presenting Mrs. Jahnke with a sterling silver ten year brooch from the group, another member of the staff with nearly ten years service to her cre-

dit, Mrs. Caroline Green, also recalled earlier days and expressed appreciation of the pleasure and privilege of working with Mrs. Jahnke.

Mrs. Marion Palmer presented Mrs. Jahnke with an Alberta rose brooch on behalf of the nursing staff.

Tribute was paid on behalf of the medical staff by Medical Staff Chairman Dr. Ian G. Waugh.

Gaydar. Millson and Teddy are making their home in Edmonton.

Fires were burning in various locations in the Warburg area this past week. One fire was very close to town--just south of the railway crossing. This fire started Thursday morning. With the help of home owners, townspeople and some of the High School boys it was extinguished before long. The Warburg fire Department was on call 24 hours a day, and have been out to one particular spot 6 different occasions. The RCMP are investigating these fires. ## KEEPPHILLS NEWS

MRS. G. RAYMOND,  
Correspondent

The showers of rain the past few days have brought some relief to the farmers, especially in the western area of the district where more rain fell. It has also slowed down the threat of fires in the area.

Adrian Charlet visited a doctor last week to have a small piece of steel removed from his eye. Mr. Carter drove the school bus for a couple of days.

Eugene and Helen Walker are in B.C. and at present are at the home of Lloyd and Myrna Tattersall taking care of the house and children while Myrna is in the hospital and Lloyd is working on a ranch.

Barney Vanderwell had the misfortune of having his mill equipment burned in the forest fires in the northern area recently.

Lorne and Jean Dombrosky were here from Duffield recently and put in their garden.

Allan Charlet was detained in Drayton Valley to fight fire for a week.

Congratulations to Mr. and Mrs. Murray Coates on the birth of a baby girl May 24th. Susan weighed in at over 8 lbs.

Vera and Lorne Draves and family of Edmonton were guests of Della and Edward Tattersall on Sunday.

Mr. and Mrs. Ron Charlet (newly weds) at present are making their home at Keephills and are living on Ken Bryants place.

Sympathy of the district goes out to the Tyrrell families in the Duffield area in the death of George Tyrrell in Victoria recently. Mr. Tyrrell spent most of his life in that area, and just over a year ago sold his business there to Lorne Dombrosky.

### SHEEP POLICY

OTTAWA---The federal-provincial sheep transportation program has been renewed for a further three years from April 1, 1968, says Agriculture Minister J.J. Greene.

In the fiscal year just ended 9,454 breeding ewes and lambs were moved at a cost of \$12,700 to assist farmers in establishing viable flocks.

Miss Shirley Clark of Namao Alberta's 1967 Dairy Princess, who will be competing for the title of Canadian Dairy Princess at the Canadian National Exhibition in August. Her two predecessors won this competition in 1966 and 1967.

## Pembina Scouts and Cubs Hold Rallies at Weekend

Two hundred and thirty-one cubs from Whitecourt, Lodgepole, Mayerthorpe, Alder Flats Cynthia, Sangudo, Evansburg and Drayton Valley held their annual Cub Rally at the Pembina Provincial Park near Evansburg. Good weather and hardly any mosquitoes contributed to a first class day of games and entertainment.

Ten competitive events were run off between the packs and the Cynthia pack emerged the winner with two firsts and a second. The Drayton Valley "C" Pack came in second with one first, one second and two thirds. The Whitecourt "B" Pack was close behind with a first, a second and a third. The Drayton Valley Hotel Annual Award was given to the Cynthia Pack.

Approximately 80 adults and other children were on hand to assist the leaders, judges and cooks. The leaders are to be commended for their program, keen competition and good sportsmanship shown by their packs.

## Dealers Attend Convention

Mr. and Mrs. Ron McCartney and Mr. William Rachuk of the Marshall-Wells Stores in Drayton Valley and Evansburg respectively were among dealers attending a Marshall Wells merchandizing meeting in Edmonton on May 27th and 28th.

A host of new products, to be offered in the company's 325 stores across Western Canada, were introduced to dealers at the show.

The shows are held twice a year to allow Marshall Wells to present new products and its complete promotional program for the next six months. The dealers bring back product knowledge and merchandise to keep consumers abreast of the newest innovations in marketing.

# PASTURE HEAVILY DAMAGED

Fire which raced across 20,000 acres of community pasture at Buck Mountain recently has left 1,600 cattle and over 400 calves with a lean outlook.

Within the 10-mile by three mile grazing reserve north of Buck Lake less than 1,000 acres of grass remain undamaged.

Provincial administrators of the pasture are planning an aerial reconnaissance to determine the extent of the loss and its severity.

Only "really desperate" farmers will be allowed to move their stock out "rather than let them starve at home," says Wetaskiwin district agriculturalist W.C. Proctor.

Mr. Proctor says in places the topsoil has been burnt down to the clay. Where there is less severe damage

there is a possibility of seeding with timothy, alsike clover and fescues by air to re-establish the pasture quickly.

Permission had been given to 53 farmers to graze the pasture. They pay the provincial lands and forests department \$2.20 a month for a cow and calf unit.

The problem for these and most other livestock men in Alberta grows daily. Farmers cannot afford to home feed their stock indefinitely. In any case there are signs of a general shortage of feed.

Hay is still being quoted at from \$30 to \$35 a ton but

there is little available for sale. Growth of grass and forage crops is negligible. Hayland may not produce any crop at all this year unless more substantial rains come soon.

The aged warrior of the Civil War was being interviewed by the local newspaper reporter who informed him: "You and two others are the sole survivors of the Confederate Forces and there is only one Union soldier still alive". "Now's the time to attack!" snapped the Rebel. "We've got them outnumbered at last."

## CARNWOOD NEWS

MRS. ROSE SAUNDERS

On Monday, May 27th Bruce Whitelock, Jim Saunders and Steve Weiting buildings were all threatened by fire. But with the local cat and water trunks and backfiring the men were able to save all the buildings.

Then on Tuesday the fire whipped towards Mrs. Norma Bowen's buildings and with quick action they managed to save her buildings. Also Mr. and Mrs. Arnold Foster were threatened three times by fire.

The fire jumped the fire guard behind Earl Jacobsen's so some of the men got busy with another fire and stopped it once again. So with the help of the men, local cats and water trucks and Mobil Oil Company the situation was returned to normal. At this time we send out a big thank you to you one and all.

Sunday Mr. and Mrs. Lloyd Bogart attended a birthday party in honor of Mrs. Bogart Sr.

Mr. and Mrs. Bly would welcome visits by friends in the area who may be travelling near their new home.

## Campaigning Underway In Rocky Mountain

SEARLE HORNBY

Opening shots have been fired along the 1968 election trail in Rocky Mountain Constituency and with six candidates in the field the campaign should be an interesting one.

P. C. Hugh Gourlay of Banff in a letter to constituents, aimed a few barbs at the camp of Doug Caston, Independent Conservative.

Mr. Gourlay refutes alleged statements concerning the PC nominating convention in Red Deer.

He notes further that "I am aware of the farmers' problems in the same manner as I am aware of the problems of the parks. It is the duty of an MP to represent all the people of his constituency regardless of where he lives."

Also in the southern part of the constituency, NDP candid-

ate Searle Hornby, blasted PC leader Robert Stanfield's proposed guaranteed income as an attempt to "fool the public".

"The proposed program is no different from the welfare programs already in existence," he said. Mr. Hornby is looking forward to forums throughout the constituency and welcomes the opportunity of discussing views with anyone.

John W. McLeod an Independent Liberal from Midnapore also notes that he will be touring the riding to meet residents and hear viewpoints on federal and local issues.

Mr. McLeod, a 32 year old consulting geologist who is making his first attempt in politics is counting on his home in the geographical centre of the constituency to win him votes.

He describes himself as more Independent than Liberal.

In Edson on May 22nd a meeting of the Rocky Mountain Conservative Committee was called to formally nominate Doug Caston for re-election. Representatives from as far as Whitecourt and Jasper were in attendance.

Mr. Caston was formally nominated by Mr. Jon Scott of Edson and the nomination was seconded by Mr. Myrl Clark of Jasper. Both nominator and seconder spoke highly to the meeting of the parliamentary record of Mr. Caston of necessity a short record, due to the calling of an early election by the new Prime Minister.

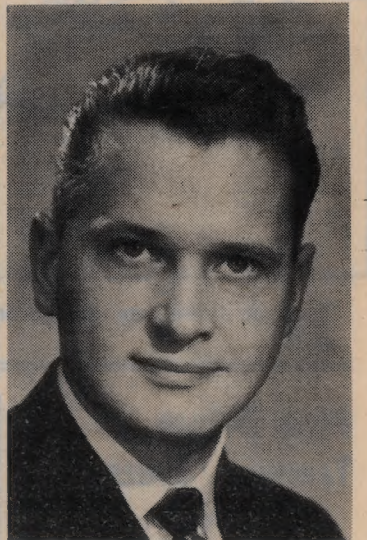

Mr. Caston felt that other matters needing definite attention by the federal government was the rising unemployment; the fact that Medicare is being forced on provinces who feel they cannot afford it at present and who will suffer a heavy debt load if this happens; the way that agricultural policies have been allowed to fall back.

Allen Sulatycky, the Liberal candidate in the vast Rocky Mountain riding in the June 25 Federal election, was the first candidate to officially file his nomination papers.

Mr. Sulatycky said he filed his nomination papers early so that he could be done with the formalities and get down to the task of campaigning in the difficult constituency, which

DOUG CASTON

ALLAN SULATYCKY

stretches for 500 miles along the Alberta side of the Rocky Mountains.

The Liberal standard bearer plans to spend about the next ten days meeting as many people as possible in the northern end of the riding, so that he may be close to home. Mrs. Sulatycky is expecting their third child before the end of May. Mr. Sulatycky said he will make an all-out effort in the central and southern areas of the riding after the arrival of the addition to his family.

Mr. Sulatycky promises a "lively and interesting campaign".

# Kindergarten Meeting Elects New Officers

A general meeting of the Drayton Valley Community Kindergarten was held in Frank Maddock High School on May 21st. Annual reports were given; the financial report will be audited by Mr. F. Neil of the Royal Bank.

A new executive for the 1968-69 term was elected as follows: President, Mrs. Marilyn Boles; Vice-President Mrs. Dorothy Woods; Secretary Mrs. Elaine Home; and Treasurer, Mrs. Pat Lewis. Board of Directors are Mrs. Cathy Monchuk; Mrs. Alberta Heater; Mrs. Marilyn Des Brisay; and Mrs. Pat Stables.

Resignations of Mrs. Joan Findlay and Mrs. R. Mayan were accepted with regret.

It was agreed by the assembly that decisions for hiring teachers and arranging accommodation be left to the executive.

The evening was highlighted by two very capable and knowledgeable guest speakers, Mrs. Pearl Turner and Mrs. Ann Ryan who have been very active in the field of early childhood education. Both ladies are presently teaching kindergarten in Edmonton and Mrs. Turner has written many articles, program books and manuals for education of young children. At present, she also lectures at the University, Department of Extension in her chosen field.

The speakers established that Early Childhood Education consists of everything a child learns from the time he is born until the age of 7 or 8. The parents therefore are the beneficial experience in order

first teachers and as the child grows older the kindergarten, and then the school supplements the parents teachings. It was stressed that in addition to food, clothing and shelter, the child has additional emotional, physical and intellectual needs the child must have an opportunity to explore, to learn self-expression and to be an individual.

Kindergarten assists in fulfilling these needs in providing opportunity through Drama, Music, Folk Dancing, Exercises Games, Literature and a chance to speak and to have his many questions answered, in short whatever provides a

for the child to learn about himself and his relationship to his environment.

Parents of children attending kindergarten this term and parents of children registered for the fall term enjoyed an Open House held by each class recently. The children showed their parents around to the many lovely displays of work done by them throughout the year. Class Diplomas and Class Pictures were also presented on that day.

Further registrations are still being accepted for the 1968-69 term by Mrs. E. Lyle. For further information please phone 542-4374.

# Re-Elect The Man Who Has Represented You Before

RE-ELECT

**DOUG CASTON**

of Edson

The Conservative with Experience  
"On The Hill"

### Why Run?

Since the Progressive-Conservative nominating convention at Red Deer Doug Caston has been under mounting pressure from his supporters to run as a Conservative independently.

The clinching argument was the fact that a man from Banff would prove to be too much concerned with the problems of the National Park and not enough about the rest of the vast Rocky Mountain constituency.

### Will It Split the Vote?

Yes, the Conservative vote will be split. However with support assured from, not only the former Jasper-Edson part, but the rest of the constituency as well, Doug Caston can be re-elected to represent ALL the people. As far as splitting the vote — there are three Liberals running!!! (Six candidates in all — see ballot on back).

### What Kind of a Conservative?

Doug will be the kind of Conservative he has always been. For instance he believes in John Diefenbaker's "One Nation" concept. He thinks Premier Manning spoke for all of us at the recent Federal-Provincial Conference in Ottawa in trying to get Quebec to tell us what they want.

He agrees with Mr. Stanfield that the Liberals are making an issue out of strong central government, that is greatly exaggerated. No Conservative wants to give Quebec any more than it is entitled to.

As the first Conservative elected following Mr. Stanfield's assuming the leadership, Mr. Caston, will be joining such Conservatives as Duff Roblin and Mr. Diefenbaker as well as former Sacred Leader Robert Thompson within the Conservative family.

### The Issues:

Doug Caston believes the most important issue of this election is what should be done to correct six years of inept Liberal government.

Strong policies as advocated by Mr. Stanfield must be put into effect to correct the inflation that is eroding the purchasing power of our dollar.

— Something must also be done about rising unemployment and with it rising welfare costs.

Medicare should be re-examined.

Agriculture needs a forward looking policy again.

The People in our National Parks should be treated like the first class citizens they are. (Doug has worked for this on the Conservative Indian Affairs and Northern Development committee while at Ottawa).

Having been a community newspaperman in the mixed economy of the Edson area for 30 years (except for service with the RCAF in the war) Doug knows at first hand the problems of the ordinary people.

He thinks the problems that face us must be faced by Members with broad backgrounds.

While at Ottawa he had an enviable voting record in the House, but considered the interests of his constituents his most important job.

The Women's Institute wishes to thank all those who patronized its plant and bake sale. Also a most hearty thank you to the ladies who do not belong to the branch but contributed most generously with both plants and baked goods. Proceeds will go toward financing the annual flower show scheduled this year for August 17th in the Elks Community Hall. Flower show lists will be available soon. Contact any W.I. member for a copy.

Mrs. William Beckett celebrated her seventy fifth birthday on June 1st. Daughters Mrs. Giddings, Mrs. Fox and Mrs. King with assorted grandchildren came for the occasion. Best wishes for many more happy birthdays, Mrs. Beckett.

Mrs. Edith Dunington is in Edmonton receiving treatment for a wrist injury.

The Dunington Ladies Group entertained on Saturday evening in honour of Mr. and Mrs. Peter Gregerson who leave shortly to make their home in Summerland, B.C. The Gregersons received farewell gifts of china and especially engraved spoons. Both Mr. and Mrs. Gregerson expressed their appreciation for the gifts, the party and the good wishes.

Mr. and Mrs. Chester Farnsworth and their younger children have left to make their home in Fort St. John. Other members of the family are staying with their grandmother, Mrs. Joan Reynolds, until school is out.

Miss Glenda Galloway will be returning to Alberta this month to work for the Y. W. C. A. during the vacation. She has been accepted at Simeon

Fraser University and will be entering this autumn.

The following statement made by Gordon Pickup will show that this young man is growing up fast and has given thought to some important matters. He says "Clubs for women are a good thing--but only after all other forms of persuasion fail".

Mr. and Mrs. Erwin Wiechert and Jerry were district visitors over the weekend.

Mr. and Mrs. Lorne Wright sold their confectionery in Edmonton and now have time for a little visiting. They spent a week with Mr. and Mrs. Edward Hines Sr. recently.

Bears are more than usually in evidence this year and several stock men have reported seeing the animals near their herds. Last week Mr. Claude Free had a calf badly mangled by a bear that seems reluctant to leave the area.

Mrs. Harold Smithinsky and Mrs. Albert Grinde spent ten days cooking for fire fighters during the time that fires were raging on section 9 south of Pembina. There were twenty three men on the crew and Mrs. Grinde says it was just like cooking for an old-fashioned threshing crew.

Wasn't it Robert Service who said "The Northern Lights have seen strange sights"? Apparently queer sights are still to be seen "down north". Pete Chivers was dusting along in his truck on his way to a construction camp west and north of Hay River when he overtook a native of the country with a team of eight dogs hitched to a bicycle. Unfortunately the truck spooked the dogs and Pete says the resulting melee had to be seen to be believed.

## LIBRARY NEWS

From time to time re-prints of once popular books become available. "The Townsman" by Pearl Buck, first appeared in 1945 and has been out of print for several years. It now appears again and is generally thought to be one of Pearl Buck's best. It is a story of an Irish family who came to America to settle in the early pioneer days.

"A Lamp for India" is called a biography of Madame Pandit but it is really a history of modern India. It will be remembered that Madame Pandit was a sister of Nehru and is an aunt to Indira Nehru, India's Prime Minister.

In July the library will go on summer schedule and will be open only on Fridays from 3 to 5 and from 7 to 9 p.m.

## Couple Honored On Anniversary

The Seba Beach School Auditorium was the scene of a most happy occasion on Saturday, May 4th when friends and relatives from near and far gathered to honor Will and Cora Mustard on their Golden Wedding Anniversary. Guests welcomed the happy couple, when they arrived at the auditorium with songs reminiscent of their wedding day. During the afternoon and evening, amid gay decorations and bouquets of fresh flowers, they received a host of visitors.

From four o'clock in the afternoon, refreshments prepared by the Anglican Church Women and friends from Seba Beach were served to guests.

Pouring tea were Mrs. Ralph Treasure, Mrs. May Cull, and Mrs. W. Roberts. After a delicious buffet supper, Mr. Zolmer of Drayton Valley, Master of Ceremonies, introduced the Mustard family and gave a most interesting and entertaining account of Will and Cora's married life.

We learned that on May 1st, 1918, a popular young school teacher, Cora Petro became the bride of the handsome red-headed outfitter of Markerville when they drove twenty miles in a buggy to Innisfail where Reverend Lytle performed a simple service at the church manse.

Will and Cora remained in Markerville for only two years and then they moved on to carry on a Guiding and Outfitting business in Mountain Park and Jasper Park. From 1935 until 1954, the Mustards lived in McBride, B.C., and then returned to Drayton Valley.

Before coming to reside in Seba Beach, they lived for a time in Hinton.

Will and Cora had four children, Vem of McBride, B.C., Sylvia (Mrs. McDonald) of White Rock, B.C., Lois (Mrs. Rom Ross) of Viking, Helen (Mrs. Knorr), of Prince George B.C. There are twelve grandchildren, of whom seven were present, and four great grandchildren who were present.

Will and Cora were presented with a beautiful three-tiered wedding cake, a money tree, gifts, a hand-carved guest book, flowers and cards. Telegrams were read from California, Prince George and White Rock, B.C. Messages of congratulation were received from Premier Manning, Lieutenant-Governor Grant McEwan and Prime Minister Trudeau.

The bride, in powder-blue dress with gold corsage, and the groom were a much-photographed couple during the celebration. Pictures were taken, too, beside a buggy which had been rebuilt by Mr. Albert Wood of Seba Beach especially for the occasion.

In spite of all his efforts in preparing a set of harness, the horse refused to co-operate and, in a tantrum, ran away with the buggy. So the bride and groom, in keeping with the modern times, were con-

ent to take the trip to the party in the not-so-exciting way, by automobile.

Valerie McDonald, a talented young dancer, at the special request of her grandparents, entertained the assembled guests. A sing-song featuring some of the old songs provided additional entertainment.

Out-of-town guests were present from Taber, Lethbridge, Calgary, Red Deer, Innisfail, Markerville, Hanna, Bentley, Edmonton, Stony Plain, Hinton, Drayton Valley, Violet Grove, Clandonald, Eckville, Hope, B.C., and Cherhill.

### BERRYMOOR

MRS. D. MARTIN  
Correspondent

Mymitta Cropley had the misfortune to injure her right thumb quite severely one day at school. She had to go to the doctor to have it attended to and also missed a few days of school because she was unable to hold a pencil.

The recent rain brought much needed relief to both crops and forest fires. It appears though, that the rain wasn't as general as it might have been. Some folks are still very much in need of moisture for their crops and gardens.

We would like to extend sincere sympathy to the family of the late William Zander of Tomahawk. Mr. Zander was a long time resident of the Tomahawk district and will be very much missed by his many friends.

One day last week lightning struck near the home of Mr. and Mrs. Ira Haight and started a bush fire. Prompt action on the part of the family and neighbors brought it under control before it spread very far.

Ed Roberts spent a few days in hospital last week.

On May 25th the Berrymoor Three B's Club held a meeting and a clean up day at the Berrymoor cemetery. Besides district residents Mr. and Mrs. Edgar Barnes of Drayton Valley came and helped very much with the work.

Pat Gavigan has left for a holiday trip through B.C.

Miss Carol Thorsen of Calgary spent the weekend at the home of her brothers, Dwayne and Brian.

Mr. and Mrs. Gordon Tryon of Ryley spent the weekend visiting at the Tryon and Martin homes.

Get well wishes are extended to Mrs. Doris Laughlin who is a patient in the Drayton Valley hospital.

After the gymkhana contestants held another flat race on the track and since this seems to be a source of enjoyment for spectators we intend to continue with them.

We again would like to welcome our new members and remind you our next gymkhana is scheduled for July 7th.

Members are reminded of the Farmers' Day picnic at the Pembina Farmers' Picnic grounds on Friday, June 14th.

On the same day, June 14th, the F.U.A. will hold a dance and chicken fry in the Elks Hall. The public is welcome to attend and tickets are still available from F.U.A. members.

## THANK YOU

We wish to thank all our friends and neighbors who desperately helped us when our buildings were threatened by fire recently.

Larry & Faye Whatley

In our time of sorrow and loss of a loving husband and father, William Zander, we have received much comfort from the many expressions of sympathy, words, cards, flowers, and kind deeds.

Your many acts of kindness mean much more to us than words can ever say.

Thankyou all.

## 5 C's Fete Member

On Wednesday, May 22nd  
the 5 C's Club honored one of  
their members of long-standing  
who is moving away from  
Drayton Valley. She has been  
a hard-working, loyal mem-  
ber and we are sorry to lose her,  
but wish her the best of health,  
happiness and weight loss in  
her new home.

The highlight of the evening  
was a "Low Calorie" snack and  
coffee. The low calorie des-  
sert was so delicious we think  
others might enjoy trying it so  
we are printing it here for you.
